The first quarter flew by! Participation has increased and it is wonderful to see new faces joining us. We stayed busy this quarter making cards for the prisoners and learning to make rosaries to share. We even found time for some bible trivia.

Join us for more fun this quarter. Enjoy this blessed Easter season!

The Mission of the Young at Heart Senior Ministry is to encourage fellowship and provide social and spiritual support for senior parishioners.

The Young At Heart Senior Ministry participated in two ministry fairs held at the parish and got 3 new volunteers to help our senior community. Welcome Elba Velasco, Herminia Nunez, and Porter Workman to the team!
